11. On April 13, 2016, Fort Worth Police Department Officers seized a cellular telephone from Scott Grigsby. On January 5, 2017, Agents with the Bureau of Alcohol, Tobacco, Firearms and Explosives obtained a search warrant for the cellular telephone belonging to Scott Grigsby. Analysis of the text messages revealed that Scott Grigsby contacted several unknown individuals on numerous occasions by text message. The text messages between Scott Grigsby and the unknown individuals used coded language to requests drugs and/or money. For example, on 4/10/2016, unknown individual texted Scott Grigsby "I'm running to g one oz." Through training and experience, your affiant believes "oz" is coded language for one ounce of methamphetamine. On 4/2/2016, unknown individual texted Scott Grigsby "4 oz?", which your affiant believes to be a request to Grigsby for four ounces of methamphetamine. On 4/2/2016, unknown individual sent the following text message to Scott Grigsby: "I thought u was given me 4ozs for a tween" referring to four (4) ounce of methamphetamine. On 4/7/2016, Scott Grigsby sent an unknown individual the following text message: "Dude that's a gram of crushed up shards put it in a pipe and see what its like." Your affiant believes this message referred to a gram of methamphetamine, and that "shards" referred to "ice" methamphetamine, or very pure methamphetamine. On 4/3/2016, unknown individual sent the following text message to Scott Grigsby: "Cause I was thinking that u never gave me the full gram remember? You only loaded me a bowl for that \$20." Your affiant believes this message is self-explanatory.

Based on the foregoing, the Complainant believes that probable cause exists that Scott Grigsby along with others both known and unknown, did knowingly and intentionally combine, conspire, confederate, and agree to engage in conduct in violation of 21 U.S.C. §§ 841(a)(1) & (b)(1)(B), namely to distribute and to possess with intent to distribute more than 50 grams of methamphetamine, in violation of 21 U.S.C. § 846.
